February 11, 2011
Dear brothers and sisters
Assalamu Alaikum

Re: Scholarship Project 2010 – 11.

We are happy to inform that we have completed disbursement of scholarships to about **8,300 students** and an amount of **Rs.3 Crores (US$: 682,000)** has been disbursed. Now, the scholarship project of **2010-11** is nearing completion and the applications of the following students are still pending with us due to paucity of funds:

S#	Particulars	Amount in INR	Amount in US$
1	IIIT students studying 3rd & 4th Year 750 Less Students sponsored by ICNA Relief Canada 65 Balance Students 685 **Scholarship required @ Rs.6000/Studt**	41,10,000	US$.91,000
2	500 School children @ Rs.1200/child	6,00,000	US$.13,700
3	200 other Scholars @ Rs.3500/child	7,00,000	US$.16,000
		54,10,000	**US$.123,000**

Since inception of IIITs in the year 2008 we have put in maximum efforts to see that the students who were selected for IIIT course join the Prestigious Institute of Rajiv Gandhi University of Knowledge Technologies. The financial and social status of the family of the students who were residing in a hut in remote villages and studying in Government schools would change remarkably and the next generation too will enjoy the fruits and become educated to lead a respectful life in the Society and may land up in all parts of the world.

Alhamdulillah, our efforts yielded good results and almost all the students selected for IIIT joined the Institutes in its 3 campuses and now pursing 3rd and 2nd year course, in addition to recently admitted students in 1st year. Even though the Govt. of A.P. is giving part scholarships and fee-reimbursement to these students, they require more assistance to complete their education. Hence, we are giving them scholarship of Rs.6,000/- each to meet the gap.

We request you to take part in this noble cause and extend your co-operation by donating liberally to complete the Scholarship Project 2010–11.

We pray Allah (SWT) to reward you suitably for your continuous support for the upliftment of the downtrodden.

The donation may be sent as per the following bank details.

Jazak Allah Khair,
Sincerely,
Ghiasuddin Babukhan, Managing Trustee
